

# Team Meetings

**Date:** March 11th, 2022

**Attendees:** Carson, Ryan, Chester, Garry

**Absent:** N/A

## 1. Project

### Progress

Carson

- Consolidated the three users into a single model
- Updated the UI to use this new model for authentication/improve UI around authentication
- Worked on the graph analysis section of the report

Chester

- Worked on the identify participants section of the report
- Worked on the user group and associated list of tasks section of the report

Garry

- Worked on the description section of the report
- Worked on the list of issues discovered section of the report

Ryan

- Review Peer Testing report for QA before submission
- Created video demo

### Blockers + Surprises

- No blockers or surprises this week

## **2. Plan**

### **Tasks for this week:**

- This week, we focused on implementing what the client mentioned in our last meeting (consolidating the three users into one model), completing the peer testing report and peer evaluations

### **Goals for the next milestone:**

- Meeting with the client on Friday, March 11th to see what's next
