AGMeeting

Meeting called by:	Team	**Type of meeting:**	Team Meeting
Facilitator:	Chester	**Note taker:**	Chester Ng
Timekeeper:	Chester Ng		

Attendees: Carson, Chester, Garry, Ryan

Minutes

Agenda item:	Team discussion	**Presenter:**	Team

Discussion:

To-do list for whole team, items and issues that can be worked on. What we have done the past week as well as conclusion and general feedback from participants during the peer testing. What to expect from client over the next few weeks.

Conclusions:

Complete peer testing video by tonight. Finish and push to github for gitstats later today. Work on issues on github in the meantime while we wait for more wireframes from Ife.

Action items	Person responsible	Deadline
